## Practical Anti-Aging Hacks To Help You Stay Young Forever

There are actually some things you can do to try and look and feel younger for longer. Here are hacks to stay young forever in looks and feeling.

### Prioritize Your Social Life

Sometimes, aging comes with isolation and loneliness in some folks. This is bad news for mental health, which can lead to depression and other issues. By prioritizing an active social life, you will feel better for longer, which can keep you feeling young.

Not all young people, but certainly over half mentioned personal development as an important outcome of their mobility project.

**Personal development**, described in many different ways, is surely considered to be the primary outcome of youth exchanges and volunteering activities. All the interviewed youth workers placed much emphasis on this aspect.

These are a few of the ways youth workers describe this process.

The majority of the 23.571 respondents agree or strongly agree – for *all* aspects of key competence development – that through their participation in an Erasmus+ Youth in Action project they improved their ability ...
